Soft Drinks in Iraq

EXECUTIVE SUMMARY

Soft drinks consumption rises as heat and bottled water reliance lift demand

KEY DATA FINDINGS

INDUSTRY PERFORMANCE

Strong growth seen in 2025

Price sensitivity high as supply expands and offers converge

Bottled water reliance intensifies as infrastructure constraints deepen

Category demand varies by occasion, seasonality and lifestyle

New launches struggle outside RTD as consumer preferences stay pragmatic

Health and sustainability awareness rises, but behaviour shifts remain gradual

Local production expands under policy support, despite regulation and distribution frictions

WHAT'S NEXT?

Volume growth to stay strong as bottled water keeps essential role

Local production expansion amid both consolidation and fragmentation

Differentiation and health-led shifts to become more influential

COMPETITIVE LANDSCAPE

UB Holding leads through bottled water scale while Nestlé gains momentum in RTD

Price-led competition persists amid broad availability and operational complexity

CHANNELS

Small local grocers remain dominant channel alongside informal trade

On trade holds substantial share of sales as cafés expand

COUNTRY REPORTS DISCLAIMER

CARBONATES

Key data findings

2025 Developments

Carbonates sees robust growth amid high heat and low prices

Industry performance

Iraq's carbonates volume sales rise strongly in 2025

Pricing pressure eases, but high costs reshape competition

Health awareness rises slowly, benefiting reduced-sugar options

What's next?

Demand growth will persist as urban living drives frequency

Reduced-sugar variants to gain ground thanks to stronger health influence

Retail execution becomes decisive while costs rise and premiums emerge

Competitive landscape

Pepsi and Coca-Cola lead through production scale and distribution reach

Smaller brands gain listings on retailer margins and value positioning

Channels

Small local grocers anchor distribution while modern grocery expands

Modern grocery accelerates as retail infrastructure investment scales up

Category Data

JUICE

Key data findings

Local supply constraints limit category potential

Industry performance

Volume sales rise demand expands from low base

Juice drinks gains traction thanks to domestic players' focus on value formats

Fresh juice culture shapes packaged demand and skews premiumisation

Health positioning supports demand, but sugar content limits credibility of juice drinks

What's next?

Volume growth to continue amid persistent structural constraints

Shift towards higher fruit content and lower sugar propositions
Full potential stays out of reach without investment and stronger capabilities
Competitive landscape
Karwanchi leads as local production supports price and availability
Local brand dominance limits innovation and keeps distribution regional
Channels
Small local grocers leads distribution as price competition supports high throughput
Modern grocery benefits from urban bulk buying

BOTTLED WATER

Key data findings
2025 developments
Bottled water demand rises as tap water quality deteriorates
Industry performance
Volume sales increase amid persistently weak infrastructure
Tap water quality issues keep bottled water essential
Prices stay low as domestic production scales up
What's next?
Demand growth continues as bottled water stays the default option
Local supply dominates as fragmentation persists across regions
Sustainability and quality concerns gain visibility, but packaging shifts stay gradual
Competitive landscape
UB Holding leads as scale and distribution secure availability
Local brands dominate while promotion focuses on trade incentives
Channels
Small local grocers leads distribution through convenience and bulk handling
Modern grocery expands faster as bulk promotions attract shoppers

SPORTS DRINKS

Key data findings

2025 Developments

Sports drinks demand stays niche as high prices limit broader uptake

INDUSTRY PERFORMANCE

2025 growth continues, but affordability keeps sports drinks non-essential

Consumption remains confined to small, high-income audience

What's next?

Growth will continue, but high prices keep the category niche

Competitive landscape

Powerade sets the competitive benchmark

Channels

Small local grocers leads distribution in 2025

Category Data

ENERGY DRINKS

Key data findings

2025 Developments

Energy drinks consumption expands as low prices widen everyday use

Industry performance

Volume sales rise strongly in 2025 thanks to broader daily use

Price sensitivity keeps distribution and affordability at the centre of competition

Health concerns and illicit trade create uncertainty, but do not curb demand materially

What's next?

Volume sales to see further though slowed growth

Pricing and distribution will keep defining success as local production expands

Brands to polarise with health perceptions and product integrity shaping outlook

Competitive landscape

Karwanchi leads as local players gain share through price and availability

Frequent launches continue, but smaller brands struggle to build durability

Channels

Small local grocers anchors energy drinks distribution

CONCENTRATES

Key data findings

2025 developments

Growth still sluggish as value positioning supports a niche role

Industry performance

Volume sales rises modestly in 2025

Value positioning supports use in families and seasonal gatherings

Inflation, new flavours and limited differentiation shape 2025 performance

What's next?

Modest growth to continue, with performance sensitive to household budgets

Health-led shifts curb upside as fresh alternatives strengthen

Limited investment among persistent fragmentation

Competitive landscape

Al Nadir leads overall concentrates in 2025

Nichols gains momentum as powder brands hold value-focused roles

Channels

Small local grocers anchors concentrates distribution

Wider listing supports growth as modern grocery strengthens

RTD TEA

Key data findings

2025 developments

RTD tea expands from low base as availability widens in cities

Industry performance

RTD tea volumes, but category stays niche

Price pressure and limited familiarity hold back wider uptake

On-trade relevance stays limited and product formats remain narrow

What's next?

Volume sales set to rise as hot weather and urbanisation widen exposure

Pricing, local production and fragmentation shape the competitive path

Marketing and taste adaptation become essential for broader adoption

Competitive landscape

Unilever leads through Lipton's distribution advantage

Pergama gains momentum as newer challenger

Channels

Small local grocers expands listings and becomes the main sales engine

Modern grocery retains relevance as refrigeration and parallel flows shape availability

RTD COFFEE

Key data findings

2025 Developments

RTD coffee accelerates as younger consumers drive trial despite high prices

Industry performance

Volume growth surges as RTD coffee becomes more visible in urban routines

High inflation and low essentiality keep category narrow

Availability and refrigeration needs constrain distribution reach

What's next?

Volume growth to moderate as price remains main limiter

Health-led positioning supports expansion and pushes lower-sugar options

Development to continue, but limited investment curbs full potential

Competitive landscape

Ennstal Milch leads while Nestlé drives momentum through Nescafé

Brand choice stays narrow as inflation pressures smaller importers

Channels

Small local grocers leads distribution while forecourt retailers grows fastest

Distribution stays concentrated, with local production offering a route to wider access

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/soft-drinks-in-iraq/report.
