ICE CREAM

Key Data Findings

2025 Developments

Heatwaves support growing demand for ice cream

Established leaders drive performance through affordability and innovation

Traditional retail remains dominant, while modern channels gain ground

Prospects and Opportunities

Rising prices may constrain demand among lower-income consumers

Budget-friendly formats and product innovation underpin category resilience

Investment and formalisation reshape the competitive and regulatory landscape

SAVOURY SNACKS

Key Data Findings

2025 Developments

Growth in savoury snacks supported by rising demand and product variety

Local and multinational players compete through flavour and scale

Traditional retail dominates distribution, supported by informal shop formats

Prospects and Opportunities

Sales set to rise as inflation stabilises and consumer spending recovers

Improved packaging and wider access channels support category expansion

Local production and investment foster long-term industry resilience
