Innovation: Food and Beverage in Brazil

September 2025

Table of Contents

INTRODUCTION

Snapshot of NPD activity across food and beverage categories in Brazil

INNOVATION IN PACKAGED FOOD

New sub-brand launches dominate innovation in packaged food

Evolving NPD strategies amid economic strain

Key attributes: Regulation results in more health claims yet less success than globally

Case study: Papapá expands product line with more healthy and natural snacks

INNOVATION IN PET CARE

Innovation in pet food is driven by pet humanisation trend

Competitive and economic pressures lead to high turnover in pet food

Key attributes: Healthy, weight and vitamins are the top claims in pet food NPD

Case study: Despite significant NPD activity, product survival rates remain low

INNOVATION IN SOFT DRINKS

Brand renovation offers a path to competitive advantage in the soft drinks industry

INNOVATION IN SOFT DRINKS

RTD tea sees an increase in new launches despite relatively small volume size in Brazil

Key attributes: Functionality increases appeal and activity of soft drinks

Case study: Yaí is positioned as a healthier refreshment alternative to carbonates

INNOVATION IN HOT DRINKS

Premiumisation and functional offerings increase NPD in hot drinks

Shift towards ready-to-drink formats limit investment in hot drink innovation

Key attributes: Sleep-aid and relaxation-related claims lead in teas

Case study: Successful launches of functional tea blends and premium coffee

INNOVATION IN ALCOHOLIC DRINKS

Flavour exploration remains key driver of alcoholic drinks innovation

Brands capitalise on the booming demand for ready-to-drink alcoholic beverages

Key attributes: Local flavour variations are of key importance in Brazil

Case study: Schweppes taps into the RTD trend with Gin Tonica Pink

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.

- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/innovation-food-and-beverage-in-brazil/report.
