Recommendations: How to win

## PRODUCT INNOVATION IN HOME CARE

Home care NPD overview: Less but more impactful category innovation

Key suppliers' NPD: Elevating consumer experiences with scent-driven appeal

Top three innovation trends in home care in 2025

Key attributes: Sustainability as a growth engine in home care

NPD highlights: Blending wellness and sustainability positioning

NPD highlights: Catering to a growing demand for safe yet effective cleaning solutions

NPD highlights: Unlocking premium value through functional benefits

Recommendations: How to win

## APPENDIX

Passport Innovation: What's covered?

### About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.

- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
