EXECUTIVE SUMMARY

Why read this report?

Key findings

INTRODUCTION

2026 to be defined by resilient but restrained growth and generational shifts

Five trends shaping economies and consumers in 2026

RESILIENCE IN A FRAGMENTED WORLD

Global economic resilience to continue, while growth remains uneven

Downside risks continue to outweigh upside potential

Case study: Reckitt turned emerging markets into its growth engine

Success in 2026 will require a dual market approach

A NEW GLOBAL TRADE ORDER

Tariffs force US importers to rethink their strategies

Production and trade continue to shift amid tariff impact and market volatility

Strategic commodities and tech turn into political leverage

Zara diversifies risks and shortens lead times by nearshoring

Flexible and trade tensions-resilient production models take a lead

LINGERING COST PRESSURES

Tariff escalation drives higher costs in the US and globally

Supply chains shifts drive up labour costs

GE Appliances automates production in US to mitigate labour costs increase

Commodity price volatility threatens price stability in future

Tariff changes, relocation expenses and commodity prices may create price pressures

GEN ALPHA: THE RACE FOR RELEVANCE BEGINS NOW

Generation Alpha defined by scale, influence and strategic complexity

Minecraft meal launch exemplifies powerful collaboration and Alpha's influence

Gen Alpha's global divide: Why the future of consumption starts in Africa

Global youth, local identity: Navigating Gen Alpha's behavioural diversity

Nongshim and the KPop Demon Hunters: Harnessing Gen Alpha's cultural curiosity

Alpha rising: The generation redefining influence and affluence

THE GREAT CONSUMER DIVIDE

Consumers are splitting, growth follows the fault lines

Lotte Himart's PLUX private brand is designed for young singles and small families

Temu expands its global reach with its discount-focused third party marketplace

Connected, stressed and selective? The fragmentation of mindsets

Navigating behavioural contrasts with authenticity, adaptability and alignment

CONCLUSION

Opportunities for growth

ECONOMIES AND CONSUMERS IN 2026

Questions we are asking

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.
