COUNTRY REPORTS DISCLAIMER

At Euromonitor, we are committed to delivering the highest quality reports. To enhance our offerings, we have integrated AI technology into our report writing and editing process. This integration is designed to improve the structure, appearance, and overall readability of our content, ensuring it meets market demands and client expectations. Our approach emphasises the use of proprietary, quality-controlled research and the expertise of our team. Our human experts focus on identifying market trends and opportunities for growth and AI is then used to create text that matches our style guidelines. The final reports are thoroughly reviewed by our team to maintain the highest standards of quality and integrity.

Forecast and scenario closing date: X

Report closing date: X

Analysis and data in this report give full consideration to consumer behaviour and market performance in 2025 and beyond as of the dates above. For the very latest insight on this industry and consumer behaviour, at both global and national level, readers can access strategic analysis and updates on www.euromonitor.com and via the Passport system, where new content is being added on a systematic basis.
